Hi Jacqui

I'm also aiming to get down this weekend and take the final beauty shots and I'll be sure to send these to you and Kevin. In short, I have been VERY happy with all the work and the quality of the people Kevin assigned to this job. It is rare these days to find tradespeople with such a commitment to quality and personal pride in what they do. This has been a big investment for us but the quality of the people and the work from Roof and Wall Doctor has played a huge part in our feeling very satisfied with spending the money and making us feel that it was all worthwhile...and their being on site added to the enjoyment of my devoting my annual leave to a camp-out down at the property! A nice experience all around – thank-you.

Cheers

Nigel
